Outgoing Students Studies - Challenges

- Language knowledge level

- Curriculum (learning agreement, changes)

- Course compatibility & recognition

- Accommodation (no student residences, very expensive rents, victims of scam)

- High cost of living

Outgoing Students Traineeship - Challenges

- Accommodation (cancellations due to lack of low-cost housing or victims of scam)

- Requirement from Receiving Institutions to sign in Agreements, different from the Erasmus+ Traineeship Agreement (cancellations due to non-signing)

- Organizations that operate as **intermediaries**, request money from students to find them an internship position. (Cancellations due to no-respect of the terms of the Learning Agreement from the Receiving institution)

Incoming Students Studies/ Traineeships - Challenges

- Accommodation

- Course offers issues

- Language issues

- Visa issues

Good Practices - Studies

- Moebius: mobility management web application with the data of our students

- Evaluation of students' applications and digital management of our procedures (before, during, after the mobility)

- List of former Erasmus students

- Organized appointments

- Cooperation with ESN

- Electronic applications & paperwork processing (OLA, LoA etc)

Good Practices - Traineeship

- Platform on our website with contact details of selected students to help them find a roommate (search by City)

- List of institutions with available traineeship positions

- Annual calls (2 per year) with specialized documents (Letter of Acceptance) for the facilitation of students and Institutions on the evaluation and accreditation
