COURSE LIST

(2025-2026 ACADEMIC YEAR FALL SEMESTER)

The course list of the 2025-2026 academic year will be announced with the link below.*

<https://erasmus.uskudar.edu.tr/en/incoming-students>

*Please note that the course list is subject to change.

Course Taking Restrictions: Students can choose from the different departments as long as they choose a minimum of %50 of their total ECTS from the department they are registered to. Choosing from too many departments and the same semesters may cause a time clash and students might need to change courses. There will be an add/drop week so that students can re-schedule their academic planning.

Semester Load: 30 ECTS

For more detailed information on courses at specific departments, student can contact the relevant Erasmus+ Departmental Coordinator, who will be their advisor during the exchange period at Üsküdar University.

For any further queries;

Please contact: erasmus@uskudar.edu.tr

DISCOVER ISTANBUL AT A GLANCE

Istanbul is more than just a city — it's a living mosaic of cultures, stories, and contrasts. Spanning two continents, Europe and Asia, Istanbul has been the heart of empires for centuries, leaving behind a rich tapestry of architecture, art, and tradition.

From the majestic domes of Hagia Sophia and the bustling energy of the Grand Bazaar, to the serene shores of the Bosphorus and the creative pulse of modern districts like Karaköy and Moda, every corner of the city offers something new to discover.

As a student in Istanbul, you'll find yourself immersed in a dynamic blend of old and new. Historic streets lead to vibrant cafés, ancient ruins sit beside contemporary museums, and cultural festivals light up the city throughout the year. With its endless transportation options, affordable street food, welcoming locals, and breathtaking views, Istanbul is not only a global cultural hub but also an unforgettable place to study, grow, and make lifelong memories.

STUDENT LIFE AT ÜSKÜDAR UNIVERSITY

Üsküdar University provides students with access to modern, well-equipped libraries located on different campuses. These libraries offer not only extensive collections of books and academic journals, but also quiet study spaces, group work areas, and access to digital databases — making it easy for students to dive deep into research or prepare for exams in a focused environment.

Whether you're attending a psychology conference, joining a film screening, collaborating in a student project, or simply enjoying the café corners with friends, Üsküdar University creates a dynamic and inclusive environment where every student can thrive — academically, socially, and personally.

Life at Üsküdar University goes far beyond the classroom. With a wide range of over 50 student clubs — including psychology, neuroscience, theater, music, technology, and social innovation — students are encouraged to explore their interests, build leadership skills, and connect with peers. The university regularly hosts seminars, workshops, cultural events, and social projects that enrich campus life and promote a sense of community.
