15th anniversary **2025**

1-WEEK PROGRAMS IN ENGLISH

16th to 27th June

Application period: January - April

Our Summer Schools bring together innovative teaching and research excellence to allow participating students to experience the methods and practices of research in a variety of fields.

Each program includes lectures, workshops with small groups of students, scientific visits and an attractive social program.

The perfect setting to get to know one another!

A group of students will assist you and organize some great activities during your whole stay.

Fees include tuition, welcoming and teaching materials, coffee breaks, weekday lunches and social program.

**A certificate of attendance with 3 ECTS is delivered at the end of the courses.**

Over the last 15 years:
around **900 participants** and **74 nationalities.**

ALUMNI TESTIMONIALS :

"**A perfect place
for a summer school.**"

"**Courses were very informative and
exciting and it opened my mind to
many things.**"

"**Curiosity, open mind
and predisposition to
meet new people.**"

from Paris

> Relaxed **way of life**
and excellent restaurants

> City full of **History**

> Surrounded by the world-
famous **Anjou vineyards**

> Major **tech city** in France

"**The Summer School was such a fantastic
opportunity and had many different
activities every day so it was never boring
and there was always something new
to learn. It was a great chance to get to
know another culture, whilst making new
friends and learning about their cultures
as well.**"
