

SUMMER SCHOOLS

UNIVERSITY OF ANGERS - FRANCE

THE UNIVERSITY OF ANGERS PROVIDES A SAFE AND DYNAMIC LEARNING ENVIRONMENT:

26.295 students

13% of international students

314 university degrees

Excellence in **Research**

Highest graduation rate

for 3-year Bachelor's degrees in France

THE BENEFITS OF OUR SUMMER SCHOOLS:

- + Focus on research and practice
- + Lectures by international researchers
- + Affordable and flexible fees depending on the Summer School
- + A chance to meet students from all over the world
- + A unique opportunity to discover France and Angers, a human-scale city in the Loire Valley

Our Summer Schools bring together innovative teaching and research excellence to allow participating students to experience the methods and practices of research in a variety of fields.

Each program includes lectures, workshops with small groups of students, scientific visits and an attractive social program.

The perfect setting to get to know one another!

“A perfect place for a summer school.”

“Courses were very informative and exciting and it opened my mind to many things.”

“Curiosity, open mind and predisposition to meet new people.”

“The Summer School was such a fantastic opportunity and had many different activities every day so it was never boring and there was always something new to learn. It was a great chance to get to know another culture, whilst making new friends and learning about their cultures as well.”
